

# WANIL PARFAIT

Full Stack Developer

maiwanpar@gmail.com | (579) 368-5230 | Montreal, QC, Canada  
wanil-portfolio.netlify.app | Bilingual French/English

## PROFESSIONAL SUMMARY

Passionate Full Stack Developer with strong proficiency in JavaScript (React, Vue.js), Python and SQL with hands-on experience in Linux environments. My background in the aerospace industry taught me discipline, attention to detail and adherence to strict quality standards. Proactive, autonomous and motivated, I learn quickly and adapt easily to new technologies.

## TECHNICAL SKILLS

Languages: JavaScript (ES6+, React, Vue.js, Node.js), Python, SQL, PHP/Laravel, TypeScript, HTML5/CSS3

Technologies: Linux, Git/GitHub, REST APIs, Docker, Tailwind CSS, Bootstrap

Methods: Agile/Scrum, Jira, Code Reviews

## WORK EXPERIENCE
